M.P.P. AND POWER DEPARTMENT

NOTIFICATION

Simla-2, the 28th August, 1980

No. MPP-F (10) 31/76-Vol. IV.—Whereas the State Governments of Himachal Pradesh and Haryana have agreed on 6th day of May, 1980 to collaborate in the planning, construction and maintenance of the Nathpa Jhakri Hydro Electric Project on River Sutlej (hereinafter called 'the Project'), and in accordance with clause 11 of the Agreement, they have further agreed to constitute a Board to be named "The Nathpa Jhakri Control Board" (hereinafter called 'The Control Board') for co-ordinative role and to ensure efficient, economical and speedy execution of the Project;

And whereas the Cpntrl Board is to be responsible for all the technical, financial and administrative aspects relating to the planning, construction and maintenance of the Project, and all works of the Project are to be executive and maintained under the direction of the Control Board.

Now, in pursuance of clause 11 of the above said Agreement and all other enabling powers in this behalf, the Governor of Himachal Pradesh, in consultation and with the concurrence of the Government of Haryana, hereby constitutes the Nathpa Jhakri Control Board as follows:

1. Chief Minister, Himachal Pradesh	Member
2. Chief Minister, Haryana	Member
3. Power Minister, Himachal Pradesh	Member
4. Power Minister, Haryana	Member
5. Nominee of the Ministry of Energy, Government of India	Member
6. Secretary (M.P.P. & Power) to Government of Himachal Pradesh and Chairman, Himachal State Electricity Board	Member
7. Secretary, Power, Government of Haryana and Chairman, Haryana State Electricity Board	Member
8. Secretary to Government of Himachal Pradesh, Finance Department	Member
9. Secretary to Government of Haryana, Finance Department	Member
10. Chief Executive of the Project (General Manager)	Member-Secretary.

The Chief Ministers of Himachal Pradesh and Haryana will act as Chairman of the Control Board, by rotation.

The Nathpa Jhakri Control Board, as constituted above, shall have all the technical, financial and administrative powers on behalf of the Partner States of Himachal Pradesh and Haryana,

for planning, construction and maintenance of the above said project. All the Contracts, Agreement(s), Covenants and other legal documents pertaining to the planning, execution and maintenance of the Project shall be executed in the name of the Control Board. The Control Board may be assisted by Consultants, to be appointed by it.

In particular, and without prejudice to the general powers to act on behalf of Partner States, the Nathpa Jhakri Control Board shall:

- (1) Constitute an Executive Agency headed by a Chief Executive drawn from Haryana and including a Chief Financial Executive drawn from the Himachal Pradesh, as provided in clauses 12 and 18 of the Agreement, to be responsible for all technical, financial and administrative functions in connection with the construction, operation and maintenance of the Project, as may be delegated to it by the Control Board from time to time. This Executive Agency, will hereinafter be called the Project Management Authority.
- (2) Scrutinize all plans, proposals and estimates of the project prepared by the Chief Executive (General Manager), advise necessary modification and approve such plans, proposals and estimates after modification, if necessary.
- (3) Examine and approve, from time to time, the delegation of such powers and functions, technical, financial and administrative, as it may deem necessary for the efficient and speedy execution of the Project Management Authority, the Chief Executive (General Manager), Chief Engineers, Superintending-Engineers, Executive Engineers and Sub-Divisional Officers etc. engaged on the execution of the Project.
- (4) Examine and, where necessary, lay down specifications and schedules of rates for various classes of work with a view to sound and efficient execution of the Project.
- (5) Approve all such estimates and contracts, the cost of which exceeds the power of sanction of the Project Management Authority.
- (6) Approve all proposals for the award of works of supplies as contract other than these based on public tenders and on detailed quantitative estimates and work allotted on Work Order based on Schedule of Rates.

Note:

- (a) Where total financial liability under a contract is definitely ascertainable at the time of placing the contract and when the contract itself is the result of a public or limited call of tender, prior submission of the proposal to Control Board will not be necessary so long as the contract is otherwise within the power of the sanction of Chief Executive (General Manager) or the Project Management Authority.
 - (b) This would not affect the power(s) delegated from time to time to the Project Management Authority and the Chief Executive (General Manager), Chief Engineers, Superintending Engineers, Executive Engineers and Sub-Divisional Officers etc.
- (7) Frame regulations as to delegation of powers and procedure for the purpose of carrying out the day to day business of various wings of the Project.
 - (8) Frame regulations governing the service conditions of its employees.
 - (9) Decide after ascertaining the various constraints, if any, the progress of construction of different parts of the Project keeping in view the funds available, the economics of the Project and desirability of obtaining quick result(s).
 - (10) Decide after obtaining the views of the consultants, the most efficient means of maintenance and operation of the Project.
 - (11) Receive monthly progress reports both as to the work and expenditure in a prescribed form from the Chief Executive (General Manager), review the progress of different units of the Project and lay down steps to be taken to expedite the work.
 - (12) Any other powers and function (s) which are supplemental, incidental, or consequential to all or any of the powers and functions specified above.

The Chief Executive (General Manager) of the Project shall be responsible for execution of all the works of the Project in most efficient and economical manner and to a pre-planned schedule. The Chief Executive (General Manager) and all other officers under his charge, shall exercise such technical, financial and administrative powers as are delegated to them by the Control Board or the Project Management Authority.

The Chief Executive of the Project may be authorised by the Control Board or the Project Management Authority, as the case may be, to further delegate technical, financial and administrative powers in the interest of the speedy execution and smooth functioning of the Project.

The Chief Financial Executive shall be responsible to advise the Project Management Authority and the General Manager in all financial matters. He shall also keep accounts of the expenditure of the Project in a manner prescribed by the Control Board and the Project Management Authority.

The Chief Financial Executive shall submit quarterly estimates of expenditure to the two Governments and both the State Governments agree to deposit each quarter, in advance, in the account of the Nathpa Jhakri Project the requisite funds to meet the approved expenditure.

By order,
H. S. DUBEY,
Secretary.
